[STATE REGION] Families To Highlight ‘Republican Price Tag’ And Demand Lower Costs During August Recess

Local leaders and residents will provide food to local residents and detail how Republican policies are increasing the cost of health care, groceries, energy, and other essentials

[CITY, STATE] — On **[DAY, DATE]**, **[LOCAL PARTNER]** will join local residents, advocates, and community leaders for a **[EVENT TYPE]** highlighting **[TARGET MEMBER OF CONGRESS’]** \$3,500 “Republican Price Tag” forcing **[REGION]** families to pay more for groceries, health care, energy, and everyday essentials. [IF APPLICABLE: At the event, there will be \$3,000 worth of food for community members to help pay for the \$3,500 families are paying in extra costs.]

According to the Congressional Joint Economic Committee, the average household is paying an estimated [\\$3,500 more](#) for health care, food, energy, clothing, and other basic needs under President Trump and **[TARGET MEMBER OF CONGRESS]**. Republicans in Congress gave massive tax breaks to billionaires and large corporations, and working families got stuck with the bill.

Republican-backed cuts to Medicaid and food assistance, the failure to extend Affordable Care Act tax credits, higher tariffs, the unnecessary war in Iran, and other policies are making it harder for families to make ends meet. The event is part of a nationwide campaign to tell the stories of working families paying the [“Republican Price Tag”](#) across the country.

[STATE REGION] Highlights \$3500 ‘Republican Price Tag’ And Demand Lower Costs During August Recess

Local leaders and residents hand out food and detail how Republican policies are increasing the cost of health care, groceries, energy, and other essentials

[CITY, STATE] — Today, [LOCAL PARTNER] joined local residents, advocates, and community leaders for a [EVENT TYPE] highlighting [TARGET MEMBER OF CONGRESS]’ [“Republican Price Tag”](#) forcing [REGION] families to pay \$3,500 more for groceries, health care, energy, and everyday essentials. [IF APPLICABLE: At the event, organizers handed out \$3,000 worth of food for community members to help pay for the \$3,500 families are paying in extra costs.]

According to the Congressional Joint Economic Committee, the average household is paying an estimated [\\$3,500 more](#) for health care, food, energy, clothing, and other basic needs under President Trump and [TARGET MEMBER OF CONGRESS]. Republicans in Congress gave massive tax breaks to billionaires and large corporations, and working families got stuck with the bill.

Republican-backed cuts to Medicaid and food assistance, the failure to extend Affordable Care Act tax credits, higher tariffs, the unnecessary war in Iran, and other policies are making it harder for families to make ends meet. With members of Congress returning home for August recess, communities nationwide will hold events, share personal stories, and urge their representatives to take immediate action to lower costs.

At the event, speakers highlighted how Republican-backed cuts to Medicaid and food assistance, the failure to extend Affordable Care Act tax credits, higher tariffs, the unnecessary war in Iran, and other policies are making it harder for families in [REGION] to make ends meet.
